

CATHAYS SURGERY

TRAVEL APPOINTMENT INFORMATION

- Please complete the travel assessment sheets and hand back to the receptionist.
- Please book a double appointment with the Practice Nurse for the advice/ vaccinations /planning of further vaccination which may be required.

Thank you for booking your appointment with the Practice Nurse for your travel vaccinations.

The pre-appointment questionnaire you have been asked to complete is for your benefit and safety. We need to perform a risk assessment before deciding which vaccines are recommended and that the advice we give you will best suit your needs.

If your travel itinerary requires you to have vaccinations that are not available free on the NHS there will be a non-profitable charge to cover the cost of each vaccination:

Vaccines available from the NHS

Hepatitis A

Typhoid

Tetanus, diphtheria, polio (single vaccine)

Chargeable vaccines:

Hepatitis B- course of 3 doses from £90 (Single dose £30)

Yellow Fever- from £55

ACWY Meningitis – from £36

Rabies – course of 3 from £180

Japanese encephalitis – course of 2 from £220 (single dose £110)

All vaccine prices may be subject to change.
